9968217791 (Mobile)

**Following are the Terms of references (Outcome Review of Schemes) of the Committee**

The focus of the committee to review the outcome/impact of various Schemes of ICAR system on the following issues:

1. Whether the existing schemes are fulfilling the mandate of ICAR in broader sense particularly with reference to the following :
  - a. Whether the schemes are addressing the problems being faced by the farming community in terms of coping with diseases, droughts, floods etc.
  - b. Whether the schemes are progressing so as to get higher production/productivity/profitability to farmers practicing in the areas of crops, fisheries, animal, horticulture, etc.
  - c. Whether the schemes are being run to achieve the over-all goal of having sustainable food and nutrition security of the country.
  - d. Whether schemes are working towards reducing operational hardships of the farmers, and
  - e. Whether the schemes have contributed or are contributing in generating Export Potential of Indian Agricultural products (in terms of crops commodities, fisheries/animal products etc.)
2. Whether these scheme are functioning as per their respective mandate/objectives.
3. Whether the schemes have achieved significant outcomes consistent with their objectives/targets.
4. Whether the objectives of schemes in the broader sense do not over-lap with those being run by other central funded organizations.

Contd./3-

5. Whether the schemes have contributed significantly in terms of genetic improvement/ germplasm collection/ agriculture technologies, seed stocks/ quality planting material etc.
6. Whether the schemes are generating Intellectual Property to the extent of spending of the public funds.
7. Whether the existing schemes have rigorous targets to be achieved.
8. What methods of concurrent and post implementation of evaluation of outcome schemes is being followed.
