F.No.HRM-3(6)/2020-KAB /92

Dated: 20<sup>th</sup> June, 2022

**OFFICE MEMORANDUM**

**Subject:- Inviting nominations of Scientists & Technologists for the DST Sponsored Training Programmes being conducted by IIPA, New Delhi during 2022-23-reg.**

The Indian Institute of Public Administration, New Delhi has invited nominations for the Department of Science & Technology (DST) sponsored residential training programmes being conducted by IIPA, New Delhi during 2022-23. The details of programmes, scheduled dates and level of participants are mentioned here under :-

S.No.	Programme	Dates	Programme Coordinator(s)	Last date for Receiving nomination in ICAR
1.	12 <sup>th</sup> T.P. on Science, Technology and Emerging Trends in Governance (Scientist & Technologists All Levels) (1-week)	November 21-25, 2022	Prof.Vinod K.Sharma Dr.Shyamli Singh	05.08.2022
2.	11 <sup>th</sup> T.P. on Science & Technology for Rural Societies (Woman Component) (Scientist & Technologists All Levels) (1-week)	December 19-23, 2022	Prof.Vinod K.Sharma Dr.Charru Malhotra	30.09.2022
3.	11 <sup>th</sup> T.P. on Financial Management in Scientific Organisations for Scientist & Technologists(Scientist & Technologists All Levels) (1-week)	January 23-27, 2023	Prof.Vinod K.Sharma Dr.Shyamli Singh	25.11.2022
4.	17 <sup>th</sup> Capacity Building Programme for Technical Personnel (Technical Officer, Technical Personnel, Technician, Senior Technician, Junior Analyst) (2-weeks)	February 06-17, 2023	Prof.Vinod K.Sharma Dr.Shyamli Singh	16.12.2022

The Department of Science and Technology (DST) will bear the cost of the training. The expenses related to TA/DA of the participants for attending the programmes at IIPA and reporting back to their respective place of duty are to be borne by the concerned institute/HQs. of the participants.

The Scientists/Technical personnel, who are desirous of attending above programmes may send their nomination (in the prescribed proforma) through proper channel (**HRD Nodal Officer/Director of the concerned Institute/Reporting Officer**) to HRM Unit, ICAR HQs for onward transmission to IIPA, New Delhi. The brochure and nomination form are enclosed and the same may be download from ICAR website under Col.Circular/HRM Unit. The nomination may not be sent online directly to IIPA, New Delhi until it is approved by the Council. The participants are requested to apply to respective training programme through TMIS portal also and the confirmation of the same may also be mentioned in the forwarding letter.

The Officials who have already attended the training programme need not apply for the same training programme. The applicants will not be allowed to withdraw their nominations after acceptance by IIPA, New Delhi. The participants in the above training programme will be subject to acceptance of nominations by IIPA, New Delhi and also further orders from the Council. However, the TA/DA as admissible under rules will be borne by the Institute concerned of the participants.

*Summ.*

June 10, 2022

Dear Sir/Madam,

The following Training Programmes sponsored by Department of Science & Technology, Govt. of India, are scheduled to be organized at IIPA. Since these programmes are going to start very shortly you are requested to **kindly nominate the participants at the earliest.**

S. No.	Programme	Dates	Programme Coordinator(s)
1.	21 <sup>st</sup> Foundation Training Programme for Scientist & Technologists ( <b>8 weeks</b> )	September 19 to November 11, 2022	Prof. Vinod K. Sharma Dr. Shyamli Singh
2.	12 <sup>th</sup> T. P. on Science, Technology and Emerging Trends in Governance (Scientist & Technologists All Levels) ( <b>1-week</b> )	November 21-25, 2022	Prof. Vinod K. Sharma Dr. Shyamli Singh
3.	11 <sup>th</sup> T. P. on Science & Technology for Rural Societies ( <b>Women Component</b> ) (Scientist & Technologists All Levels) ( <b>1-week</b> )	December 19-23, 2022	Prof. Vinod K. Sharma Dr. Charu Malhotra
4.	11 <sup>th</sup> T.P. on Financial Management in Scientific Organisations for Scientists and Technologists (Scientist & Technologists All Levels) ( <b>1-week</b> )	January 23-27, 2023	Dr. Pawan K. Taneja
5.	17 <sup>th</sup> Capacity Building Programme for Technical Personnel (Technical Officer, Technical Personnel, Technician, Senior Technician, Junior Analyst) ( <b>2 -weeks</b> )	February 06-17, 2023	Prof. Vinod K. Sharma Dr. Shyamli Singh

The Institute has a Hostel where board/lodging facilities are made available to all the participants. Please note that the programmes are fully residential and accommodation is only for the participants.

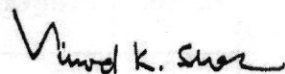

The Department of Science and Technology will bear the entire cost of the training organised through the IIPA. Only the expenses related to TA/DA of the participants for attending the training programmes at IIPA, and reporting back to their respective places of duty, are to be borne by the nominating organizations.

We request you to kindly circulate this information to your scientists and staff and nominate suitable Scientists/Technologists/ Technical Personnel for the respective programmes. We would be grateful if you could kindly send your nominations clearly indicating the programme being applied for at the earliest. Since only 25 nominations would be accepted for each programme.

You are requested to send duly filled-in nomination form attested by Head of the sponsoring organisation of the participant should be submitted to IIPA by email ([dstiipa2022@gmail.com](mailto:dstiipa2022@gmail.com)) or by post.

With regards,

Yours sincerely,

(Vinod K. Sharma)

Encl: As Above

**21<sup>st</sup> Foundation Training Programme for Scientists and Technologists of the S&T  
Departments, Government of India,  
(Scientist & Technologist, at B & C levels and equivalent)  
(September 19 to November 11, 2022)**

**PROGRAMME OBJECTIVES AND CONTENT**

The Eight weeks Foundation Training Programme for Scientists & Technologists is designed to provide the young scientist a holistic view of the Inter-relationship between Science, Society and Development. The significance of Socio-political, Cultural and Economic issues in management of science and technology will be examined in depth and detail. An attempt will be made to develop behavioral and problem solving skills, enhance leadership & team building capacity and strengthen innovation & service orientation. The Programme will also develop the capacity of participants to understand and address the problems facing society through an application of Science and Technology. At the same time, it will prepare the participants for future senior positions which will require not only technical but also administrative and communicative skills.

The focus of the Programme would be to enable the participants to:

- Appreciate the symbiotic relationship between Science, Technology, Development and Society and understand Science and Technology Policy with a social perspective.
- Understand the Legal and Administrative Framework pertaining to S&T and examine the nature of relationship between the State, Civil Society and Market and their roles in shaping the development of Science and Technology in the emerging Policy scenario.
- Acquire necessary Behavioral and Communication skills for enhancing decision making and problem solving capacity and overcoming difficult situations in work place through effective management of Time, Stress and Conflict situations.
- Appreciate the contemporary challenges confronting scientists and administrators in handling issues concerning Environment and Sustainable Development.
- Comprehend administrative rules and procedures required for dealing with related Ministries, Departments and Organizations more effectively.
- Apply some of the good practices used in other organizations in implementation of S&T Policy.
- Prepare S&T projects for funding by the concerned departments and Acquire Skills for Appraisal, Implementation, Monitoring, Evaluation and Impact Assessment of Science and Technology Projects.
- Apply the basic concepts of Financial Management and Budgetary Control.
- Apply ICT-enabled Processes of Governance for improving public service delivery systems, Information Security, IPR/Copyright and Ethical issues.

## METHODOLOGY

The methodology of the training programme will be a mix of interactive sessions with eminent scientists, administrators, guest faculty and faculty of IIPA. The emphasis will be on case studies, group exercises and field visits. The various components of the Programme include lectures, panel discussions, workshops as well as field visits, including **visit to NGOs/ Centres of Excellence**. The **Urban and Rural Field Visits** will provide them an opportunity to examine ground realities.

**Note: On successful completion of the Foundation Programme the Participants are taken on a Foreign Study Tour by DST.**

**12<sup>th</sup> Training Programme on Science, Technology and Emerging Trends in Governance  
for Scientists and Technologists of the S & T Departments,  
Government of India (All Levels)  
(November 21-25, 2022)**

The programme aims to provide an in-depth analysis of the complex process of governance, involvement of various institutions and the civil society. The participants can comprehend the various issues and challenges of good governance which will enable them to strategize their role in ensuring good governance.

In brief, the objectives are to facilitate the participants to:

- Get a comprehensive understanding of the concept of governance and its importance in contemporary times.
- Comprehend the complex process of interface of science and technology and governance.
- Acquire necessary skills for facing the challenges posed by sweeping changes in governance.
- Appreciate the process of making governance citizen centric.
- Envision the role of scientists and technologists in strengthening governance and democratic structure of the country.

**11<sup>th</sup> Training Programme on Science and Technology for Rural Societies for  
Women Scientists & Technologists, (under Disha Scheme) (All Levels)  
(December 19-23, 2022)**

India has accomplished significant success in varied fields of science and technology (S &T). The development effects of science and technology research as well as its applications have, however, been quite unevenly spread across the urban and rural India. The rural India, which represents almost two-thirds of the population of the country and has a distinct economic and social set up, with its distinct needs and opportunities, holds considerable promise for scientific indulgence. At the same time, specific initiatives taken by scientists and efforts made to engage with people's science movement on the one hand and to involve scientific community in addressing the rural problems and interests have invited the attention of the nation. This necessitates a more active engagement of scientists at all levels with the understanding of rural context, its problems and opportunities available for more rural society-centered science and technology initiatives. This programme seeks to attempt the same.

**OBJECTIVES:**

The program will expose the women participants to the innovative interventions in the area of S&T, initiated by both state and civil society institutions. The intention is to engage them into creative exercises to think of new possibilities for rural development using science and technology.

In view of the above, the broad objectives of this training are:

- To expose the participants to the complex problems facing rural societies.
- To expose the participants to the existing Rural Development programme, including those with special emphasis on S & T.
- To encourage the participants to analyses the scope for science and technology inputs contributing to improvement of development outcomes.
- To expose the participants to the indigenous knowledge systems prevalent in various parts of India and its relevance for rural society, as also, to encourage them to find grounds for an interface of modern and traditional systems for improving the outcomes.
- To examine possibilities of applications of S & T to improve development outcomes for the rural societies.

**CONTENTS:**

- Rural Society: An Overview of its socio-cultural eco-system and diversity
- Policy Framework for Rural Development and scope for engagement with Science and Technology

- Emerging trends in Science and Technology relevant for rural India
- Indigenous knowledge systems prevalent in various parts of rural societies of India
- Case studies: emphasizing science and technology innovation for Rural Development
- Challenges and Opportunities of interface of science, technology and rural societies

#### **METHODOLOGY:**

The programme will use Case Studies, lectures as well as brainstorming of innovative ideas generated through Group/panel discussions. Apart from IIPA faculty, distinguished guest speakers would include eminent experts from academia, scientific community, civil society organizations and government organizations. A local field visit to examine some initiatives in the area would also be organised to provide first-hand experience of the subjects under consideration

**11<sup>th</sup> Training Programme on Financial Management in Scientific Organizations,  
(Scientist & Technologist) (All Levels)  
(January 23-27, 2023)**

**OBJECTIVE**

The success of every organization highly depends upon the sound management of financial resources i.e. 'Financial Management'. Financial management is of paramount importance particularly to those organizations which involve huge funds like scientific organizations, research institutes etc. In this reference the present programme attempts to familiarize the participants with some critical financial issues like financial statements, sources of finance, cost control, budgeting, financial appraisal of projects etc. The primary objective of this program is to enable the participants to plan their financial resources and make their best possible use. It attempts to develop a fair understanding of different concepts of financial management to ensure better use of funds.

**CONTENT**

- Financial information flows and financial reporting
- Analysis of financial statements
- Accounting for depreciation
- Valuation of intangible assets
- Planning for financial inflows
- Cost: Allocation and Control
- Budgeting: Cash budgets and Zero base budgeting
- Project Formulation and financial appraisal

**METHODOLOGY**

There will be a blend of theory and practice. Suitable numerical exercises, relevant case studies will be used along with the interactive discussions & lectures.

**17<sup>th</sup> Capacity Building programme for Technical Personnel of the Science & Technology Departments, Government of India, (Technical Officer, Technical Personnel, Technician, Senior Technician, Junior Analyst)  
(February 06-17, 2023)**

**OBJECTIVES**

Capacity building is a process of strengthening the abilities of individuals / organizations to perform core functions sustainably. The goal of capacity building program is to enable the participants to tackle problems more effectively. Keeping this broad objective in mind, this two week programme aims at providing broad overview of financial management, project management and general management. Realizing the specific job requirements of technical personnel, the program will also give exposure of some relevant acts (like IPR, Patent, RTI etc.) and attempt to enhance the potential of participants in writing reports, drafting cabinet notes and making presentations.

**CONTENT**

The broad areas to be covered under the programme are as under:

- Team building and Motivation
- Communication Skills and Interpersonal Relations
- Financial Statements and their analysis
- General Financial Rules
- Inventory Management
- Total Quality Management
- Project Management
- Economic appraisal of Projects
- Knowledge Management
- IPR/ Patents / Copy Right
- RTI and its implementation
- Conduct Rules and Disciplinary Procedure
- Rate Contract and e-procurement
- Drafting Cabinet Notes
- Report writing and presentations

**METHODOLOGY**

The methodology of the training program will be a mix of interactive sessions with eminent scientists, administrators, guest faculty and faculty of IIPA. The emphasis will be on case studies, group exercises, management games and field visits.
