D.O. No.EC/01-21/2017
Dated the 6th September. 2019

Dear Director,

Kindly refer to my earlier D.O. letter dated 22 April 2019 regarding the completion of work related to Accessible India Campaign (Sugamya Bharat Abhiyan).

2. As informed earlier, the progress of this activity is being monitored by the Cabinet Secretariat and a status report in this regard has to be submitted by DARE/ICAR to the Ministry of Social Justice and Empowerment on 5th of every month.

3. Since this work was time bound, it was requested by me to ensure that this work should be completed by July, 2019 in all respects by the ICAR Institutes. During a review of the above work, it emerged that out of 111 ICAR Institutes including ATARI, only 46 ICAR Institutes have completed this work by July, 2019, and work is still under progress in remaining 65 ICAR Institutes. This progress of implementation is far from satisfactory. You are requested to submit the status of implementation of above work in your Institute by 14.09.2019 along with the reasons for delay. You are requested to ensure that this work is completed by September 2019 in all respects in your institute. It may also be noted the no adherence of this directive would invite legal consequences from the implementing authority of the Disability Act and under rules framed thereunder.

4. Director (Works) would be monitoring this on weekly basis and the status should also be uploaded on the website of the institute for ensuring compliance.

This may be treated as **most urgent**.

With regards,

Yours Sincerely

(Sushil Kumar)

To All Directors of ICAR Institutes/PDs/Bureaus
