**Action: DS(TS)**

**5. Decentralization of recruitment of Group 'B' and 'C' posts from ASRB as the Board is only for recruiting scientific personnel/Group 'A' posts as per its mandate.**

Directors of ICAR institutes were recruiting Group 'C' posts, namely LDCs, Stenographers and T-1 & T-3 posts. Eventually the job of recruiting these posts is entrusted to ASRB on the premise of recruitment irregularities at institute level. In doing so, majority of institutes lost the opportunity to recruit the candidates "specific" to job requirements. Now the recruitment has fallen out of frying pan into the fire as the ASRB is more scam-ridden.

Hon'ble Chairman stated that Institutes are facing problems in filling the posts and hence centralized recruitment was taken up. Shri Chandrashekhar, Secretary (SS) explained the delay in recruitment and doubts over ASRB's sincerity in the merit of recruitment.

**Action: DS(A)**

- a) Shri Reyaz Ahmed Mir, CJSC Member of CITH, Srinagar requested to delegate the power to the Director, CITH for allowing non-entitled Officers/Officials of CITH to avail air travel during the course of blockage of National Highway on account of snow fall and also during the course of unrest/stone pelting/strikes/curfew/other restrictions. The matter stands discussed in the 26<sup>th</sup> of CJSC meeting held on 14-15<sup>th</sup> September, 2007 at NAARM, Hyderabad but formal orders of council with regard to delegation of powers to Director, CITH, Srinagar is still awaited despite of the recommendations of 11th IMC of CITH, Srinagar.

**Action: DS(Hort.)**

- b) Shri Reyaz Ahmad Mir, CJSC Member of CITH, Srinagar also requested for conveying the approval of Competent Authority in Council for Recognition of Five Private Hospitals and Three Diagnostic Centre's Centers for availing the medical facilities by the staff of CITH, Srinagar as well as the staff of Regional Station(s) of NBPGR/IGFRI, Srinagar and KVK Baramulla as well as their dependent family members , As Srinagar is very remote and disturbed area and the facilities for healthcare is not so adequate, neither Srinagar is covered under CGHS. Further the proposal for recognition was also recommended by the 11th & 12<sup>th</sup> IMC of CITH, Srinagar and matter is still lying with SMD.

**Action: DS(Hort.)**

- c) Shri Tarun Kumar, CJSC Member of CSSRI, Karnal and Shri Prabhjit Behl, CJSC Member of NDRI and Shri Rajeev Sharma, CJSC Member of ICAR Hqrs. requested for issuance of clear-cut orders as how to avail medical facilities and consultations of AMA.

In this connection, Official side clarified that employees can avail medical facility/AMA

services of other institutes located within the station as communicated to all institutes vide ICAR Lr.No.3(4)/95-Per.IV dated 5<sup>th</sup> June, 2009

- d) Shri Chandrashekhar, Secretary (SS) requested for issue of communication stating that a person retiring from a place can register with any of ICAR institutes/dispensaries located in other stations for consultation as well as reimbursement of medical bills. This request is made as the retiring employees may remain in the same station or move to new place to settle down and in this process some of the Directors are not allowing to register them and instead insisting them to register with the institute where they had actually retired even though parent institute is located in a different station. This is causing lot of agony and hence orders to this effect is requested by Shri Chandrashekhar as ultimately the pensioner shall be utilizing medical facility from one place only.

This was agreed upon by the Hon'ble Chairman and noted down by Official side to issue necessary circular as the retiring people are likely to move to new place where they are going to settle down where their family resides or their native place or their place of choice as per their convenience.

**Action: Dir(P)**

- i) Rajeev Kr.sharma raised strong objection on the language used by Secretary, Staff Side & stated that Secretary(SS) has created a big shift between the ICAR Hqrs. & ICAR Institutes on false and fabricated issues on wrong and mis-represented facts. He has further stated that the staff & officers are always remains helpful and in cordial relations to the offices & staff of Institute. He stated that & fighting attitude of the Secretary is neither useful for staff of Hqrs. Nor for Institute and therefore create harmful atmosphere of Hqrs. & Institutes.

**No Action**

- j) Vide ICAR Letter No. 19(10)2004/Estt.IV dated 24.02.2006, amendments were circulated in Technical Service Rules. It is noticed that for production staff under Group V-subgroup B, dual qualifications(Degree & Diploma) are prescribed for Category II. For all other functional groups, either Degree or Diploma is prescribed as essential qualification. Hence this anomaly may be rectified urgently and equal justice may be given to production staff also.

**Action: DS(TS)**

- k) After the inception of Technical service in 1975, 100 designation were abolished from different functional groups by the ICAR in 2012 vide administrative circular(2/2012) F.No. 19(16)2011/Estt.IV(Pt.) dated 04.05.2012. Under decision No. IV, a circular was issued vide ICAR letter F.No. TS-19(07)/15-Estt.IV dated 16.10.2015. But no further action is seen taken in this regard. Hence it is requested that necessary action may be taken to reclassify the existing designations in accordance with the qualifications available with the incumbents at that time to resolve the long pending anomalies.
