

F. No. 8(1)/2007-Assess. Cell

Dated the November 29th, 2007

To

The Directors/Project Directors,
National Research Centres/Bureaus of ICAR Institutes

Subject: **Proposal for assessment of Senior Scientists for promotion to the grade of Principal Scientist under Career Advancement Scheme of ICAR .**

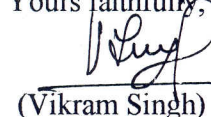

Sir,

I am to invite your attention to this office letter No. 5(1)/2005-Assess. Cell dated 03.05.2007 on the subject cited above, and to say that it is proposed to finalize next programme for conduct of assessment and interview for promotion of Senior Scientists to the grade of Principal Scientists. The left over proposals which were received in the month of July/August, 2007 and could not be considered by the Board, will now be taken up for consideration in the month of January, 2008 onwards. It is, therefore, requested that the left over proposals of the eligible Senior Scientists, if any, may please be forwarded to the Board by the concerned Director latest by 31st December, 2007 positively.

It is further requested that in case any scientist whose assessment is due from previous date i.e. before June, 2007, such proposal should include information upto June, 2007 for duration of 8 years in each case. For example, if some scientist has not been assessed upto 2005 only, his assessment proposal may include assessment proposals from 1998-2005, 1999-2006 and, so on.

In case any Senior Scientist, who has already submitted his/her proposal for promotion to the grade of Principal Scientist and is currently on foreign deputation, may also be informed about the next programme for assessment interview as participation of concerned Senior Scientist is mandatory under Career Advancement Scheme.

Yours faithfully,

(Vikram Singh)

Controller of Examinations
