[INDIAN COUNCIL OF AGRICULTURAL RESEARCH]
KRISHI BHAVAN : NEW DELHI

F.No. 1(1)/2009-Per.IV

12th October, 2012

To

The Directors of all ICAR Research Institutes / Project Directorates /
National Research Centres / Bureaux / Zonal Project Directors

Sir,

The Council is in receipt of many references from the Institutes seeking clarification as to whether the Scientists who are promoted to the RGP of ₹8000/- under the revised Career Advancement Scheme shall be designated as Scientist or Senior Scientist.

The issue has been considered and in order to clear the ambiguity, it is clarified that a Scientist with service of five years in the RGP ₹7000/- shall be eligible, subject to other requirements as may be laid down by ICAR, to move up to RGP of ₹8000/- and shall be re-designated as Senior Scientist subject to possession of Ph.D. degree.

However, non-Ph.D. Scientist in the RGP of ₹8000/- and ₹9000/- will continue to be designated as Scientist as per the provisions of the scheme of revised CAS.

Accordingly, Para 5.4 of the Council's letter no. 1(1)/2009-Per.IV dated 6.3.2009 shall stand amended to the above extent.

This issues with the approval of the Competent Authority in the Council.
