At ICAR-National Dairy Research Institute (NDRI), Karnal (HARYANA)

The entire faculty, staff, students and trainees at ICAR-National Dairy Research Institute, Karnal have taken Swachhta pledge on 16.12.2021 at Karnal (Haryana), Kalyani (West Bengal) and Bangaluru (Karnataka). All the employees have been sensitized about the importance of cleanliness campaign undertaken during the period of 16-31 December 2021. The banners with different

dimensions highlighting the Swachhta Pakhwada have been displayed at prominent places of NDRI campus. The two photographs are also attached.

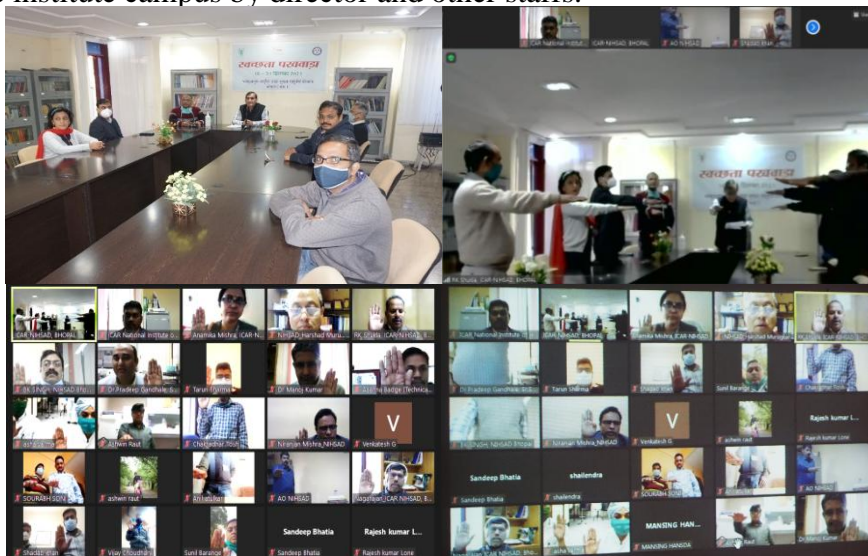

At ICAR-National Institute of Animal Nutrition and Physiology (NIANP), Bengaluru (Karnatka)

the ICAR-NIANP, Bengaluru kicked off the program on 16th December 2021 by displaying the banner at the main gate of the institute. Dr. Raghavendra Bhatta, Director also administered the Swachhta pledge to all the permanent and contractual staff of the institute.

Taking one more step towards fulfilling the Mahatma Gandhi's dream of a clean and hygienic India, **ICAR-National Institute of High Security Animal Diseases (NIHSAD), Bhopal** started the celebration of 'Swachhta Pakhwada' with a pledge for cleanliness administered by the Director, ICAR-NIHSAD to all the employees on Dec. 16, 2021. He emphasized the need for everyone to contribute at least 2 hours every week towards the Swachh Bharat Mission. Regular cleaning activities were also carried out in the institute building and all the participants followed guidelines (social distancing, sanitizing hands, and putting on masks) prescribed by the Govt. of India in the wake of novel coronavirus (COVID-19) pandemic. On this occasion, various tree saplings were also planted in the institute campus by director and other staffs.

At ICAR–National Institute of Veterinary Epidemiology and Disease Informatics (NIVEDI), Bengaluru (Karnataka)

As a part of *Swachhta Pakhwada* from 16th-31st December 2021, ICAR-NIVEDI, Bengaluru today (16.12.2021) organized *Swachhta Pledge* taking ceremony and display of banner at prominent places. Dr B R Shome, Director (Actg.) administered *Swachhta Pledge* and motivated staff of ICAR-NIVEDI to participate in various activities planned for the period of *Swachhta Pakhwada* and to make it a grand success.

Dr C.S.Sathish Gowda, Scientist explained *Swachhata* activities to be carried out by the individual at home and narrated the Hon'ble Prime Minister's speech on natural farming. Dr. Rajeshwari Shome, Principal Scientist, while emphasizing the core theme as *Swachhta*, emphasized on personal hygiene and cleanliness in the village surroundings to the participating villagers of Ramagondanahalli. The activities planned were discussed with all the staff and farmers encouraged to devote 100 hours of time voluntarily for cleanliness activities throughout the year.

The following activities were carried out:

Inspection/taking stock of the *Swachhta* activities at ICAR-NIVEDI and surrounding villages: Meeting was organised to discuss *Swachhta* related issues and stocktaking activities were carried out within and outside the campus with various committees made for effective implementation of the program.

***Swachhta* pledge and display of banners:** Banners with the theme of *Swachhta* were prepared and displayed inside and outside the campus for wider publicity about the *Swachhta Pakhwada* activities taken up by the institute. The *Swachhta Pledge* was taken in trilingual approach (Kannada) and mineral mixture packets were distributed to the participating farmers.
