1. Appointing Physical Training Instructors in all the Institutes on contract basis.

Shri Anil Sharma, Member representing the East Zone suggested that Physical Instructors may be appointed on contract basis in the ICAR system for maintaining a desired level of fitness of the employees which would further enhance their performance during the sports tournaments. He also suggested that Yoga may also be included.

The members were informed that such initiatives can be taken by the respective Institutes in accordance with the requirements.

2. Changing of Venues on rotational basis of Zonal/Inter-Zonal Tournaments.

Shri Rajiv Kumar Sharma, CJSC Member representing the Central Zone suggested that sports activities were incorporated as a welfare measure. However, by limiting the Zones for sports tournaments, the interaction between the players get restricted. It was suggested that the pattern of fixation of zones may be discontinued and the venues within a particular zone may be changed.

The Committee recommended that the host Institutes for the Central Zone and West Zone may be changed as per the request of the members as under :-

3. Allowing sports persons to travel by AC-III tier during zonal tournament.

It was suggested by Shri Rajiv Sharma, ICAR Hqrs. that the participants in sports tournaments may be allowed to travel by rail journey in III A.C. for Zonal tournaments also. On careful consideration of the issue, the Committee observed that in the present day situation, every government employee, irrespective of his status is entitled for rail journey by A.C. class on official tour.

The Committee recommended that the proposal may be examined in consultation with the IFD before sending it to the competent authority.

4. Conducting of Inter-zonal tournament & zonal tournament by the same Instt during the same year.

Shri Mahesh Waghela, Member representing West Zone suggested that the next host Institute in the rotational system may be asked to conduct the inter-zonal tournament if the zonal and inter zonal tournament in a particular year happens to be conducted by the same Institute.

On careful consideration, the Committee recommended to examine the suggestion.

5. Refreshment charges for local participants.

Almost all the participants suggested that Refreshment Charges may also be given to local participants during the sports tournaments. The issue was considered at length. It was observed that the participants of the local Institutes where the tournament is being held, are not given any refreshment charges or any Dearness Allowance whereas every other participant coming from outstation do get the daily allowance. It was noted that the participants of the local Institutes are also given various additional responsibilities during the sports tournament. In order to perform their additional responsibilities along with participating in the games, these participants leave their residence early in the morning and continue till late in the evening, thus hardly getting any time to arrange for food/lunch.

The Committee observed that this is a genuine demand and merits consideration. The Committee recommended the proposal to be examined in consultation with IFD before sending for approval of the Competent Authority.

6. Introducing mixed doubles in Badminton.

Smt. K.K. Rukmani Ammal Member representing South Zone suggested mixed doubles in Badminton may also be introduced.

The Committee observed that a large number of competitions are being held at present and there is no scope to include any additional activity now. However, this issue may be considered in future.

After detailed discussion, the Committee observed that it may not be possible to add any more prize at present.

8. Special disability leave to be given to the players injured during participation in sports activity.

Shri Chandrashekhar proposed that Special Disability Leave may be granted to the players injured during the sports tournament.

The issue was considered in detail. The Committee observed that the issue is purely within the powers of the Directors of the respective Institute. Accordingly, Directors of the ICAR Institute can take a view on merits.

The meeting ended with a vote of thanks to the Chair.
