KRISHI BHAVAN: NEW DELHI**

Jsh

F. No. 8(2)/2009-Per.IV

Dated: the Oct. 09

To

The Directors/Project Directors/Project Coordinators
Zonal Coordinators/National Bureaus of ICAR Institutes.

**Subject: Bond liabilities of ICAR employees upon selection to posts
outside -reg.**

Sir,

Attention is invited to Council's letter no. 8(2)/89-Per.IV dated 09.07.93 vide which instructions in regard to transferability of Bond liabilities in respect of ICAR employees who have executed bonds for receiving scientific and technical trainings at ICAR cost and seek employment elsewhere were notified. The issue of transferability of Bond liabilities of ARS scientists has been reconsidered in the Council and it has now been decided that the transferability of Bond liabilities may be permitted only in the case of those scientists who have been selected for Group 'A' posts in All India Civil Services namely; IAS, IPS, Indian Forest Service and other Group 'A' Central services. However, the bond liabilities shall be insisted upon in all other cases of selection of scientists for Group 'A' posts under State govt. or Public Undertaking owned wholly/partly by the Central Govt. or by a State Govt. or under Quasi-Govt. Organization/Public Enterprise or selection in private sector. The Council's letter no. 8(2)/89-Per.IV dated 09.07.93 stands modified to this extent.

This issues with the approval of DG, ICAR.

Yours faithfully,
