OFFICE MEMORANDUM

Sub.: Implementation of pension disbursement only through designated bank accounts of the approved bank-reg.

In continuation of letter of even number, dated 13th January, 2015, the undersigned is directed to say that the Competent Authority in the Council has approved the proposal to implement the pension disbursement only through designated bank accounts of the approved bank and the practice of seeking monthly demand from the pension-holder or his physical presence for getting the cheque or cash should be dispensed with. The pensioner would no longer be required to visit the Council's Headquarter/Institutes/Pension Authorization Units for drawal of their pension through demand pension application.

2 In this context, all Pension Authorization Units are requested to follow the above procedure henceforth and make it mandatory that all pensioners should get their pension credited to their bank accounts at State Bank of India (being designated bank for the purpose of payment of pension).
