2. A candidate may apply for the re-evaluation of the answer book in the paper(s) where he/she has secured minimum 30% of the total marks (25% in case of reserved category candidates) in that paper(s).
3. A non-refundable fees of Rs.500/- per paper for the purpose of re-evaluation will be remitted in the Institute account by the applicant. The Institute will render the following certificate while forwarding a candidate's request for re-evaluation :

Certified that Mr./Ms._____ has deposited Rs._____ (amount in words) in the Institute account vide IR/Cashbook/Voucher no._____ dated _____.

The institute will credit this amount received to the sub head "Misc. Income" under the Non-Plan.

4. To ensure independent re-evaluation, the answer book will be assigned to an evaluator other than the original evaluator. The original marks assigned will be hidden to eliminate any prejudice.
5. The applicant will receive benefit of re-evaluation if the marks obtained after re-evaluation exceed by 10% of the marks originally secured by him/her or it leads to a change in result by way of exemption in the re-evaluated paper or passing of the examination. If, however, the re-evaluation leads to reduction in marks, the same will not be given effect to. In such a case, the candidate will retain the marks originally received.
