

Global Consultation on Use and Management of Agrobiodiversity for Sustainable Food Security

12 February 2013, Tuesday

0930-1030 Inaugural Ceremony AP Shinde Auditorium

1030-1100 High Tea Atrium

**1100-1200 Technical Session I:
Status of conservation and use of genetic
resources** NAAS Auditorium
Chair: Dr. S. Ayyappan
Co-Chair: Dr. Peter Kenmore
Rapporteurs:
1. Dr. D.C. Bhandari
2. Dr. Kavita Gupta

1100-1130 Conservation and use of plant genetic resources
for food and agriculture: A global perspective **Emile Frison**, Bioversity
International

1130-1200 Conservation and use of plant genetic resources
for food and agriculture: Indian efforts **S.K. Datta**, Indian Council of
Agricultural Research

**1200-1330 Technical Session II:
International agreements and their
implementation** NAAS Auditorium
Chair: Dr. R.S. Paroda
Co-Chair: Dr. H.S. Gupta
Rapporteurs:
1. Dr. R.K. Tyagi
2. Dr. Pratibha Brahmi

1200-1245 Implementation of ITPGRFA: Current status and
way forward **Kent Nnadozie**
ITPGRFA Secretariat

1245-1330 The Second Global Plan of Action for Plant Genetic
Resources for Food and Agriculture: its
implementation and monitoring **Stefano Diulgheroff**
FAO, Rome

1330-1430 Lunch Atrium

**1430-1630 Technical Session III (A):
Status of conservation and use of genetic
resources and implementation of international
agreements: CG Centers and Country reports
(Contd.)...** Chair: Dr. S.K. Datta
Co-Chair: Dr. Leocadio
Sebastian
Rapporteurs:
1. Dr. P.C. Agarwal
2. Dr. G. Randhawa

1430-1530 Presentation by CG Centers (ICRISAT, CIMMYT,
IRRI, ICARDA) – *Ex situ* conservation and research
partnership **H.D. Upadhyaya, Thomas
Payne, R.S. Hamilton and A.
Amari**

1530-1630 Presentation by National Programmes –
Status of PGRFA, Bottlenecks, Status of
ITPGRFA/GPA implementation, and Key research
areas, including capacity building and sharing of
expertise, proposed for South-South cooperation **National representatives (Cote
d'Ivoire, Ghana, Kenya,
Madagascar, Mali, Nigeria,
Niger)**

1630-1700 Tea Atrium

1700-1900	Technical Session III (B): Status of conservation and use of genetic resources and implementation of international agreements: CG Centers and Country reports (Contd.)...	NAAS Auditorium Chair: Dr. Emile Frison Co-Chair: Dr. N.K. Krishna Kumar Rapporteurs: 1. Dr. I.S. Bisht 2. Dr. Anuradha Agarwal
1700-1900	Presentations by National Programmes regarding - Status of PGRFA, Bottlenecks, Status of ITPGRFA/GPA implementation, and Key research areas, including capacity building and sharing of expertise, proposed for South-South cooperation	National representatives (Rwanda, Tanzania, Uganda, Zambia, Bangladesh, Bhutan, India, Indonesia, Japan, Malaysia, Nepal, Philippines, PNG, Vietnam)
1900-2000	Cultural Programme	NASC Lawns
2000-2100	Dinner	NASC Lawns

13 February 2013, Wednesday

0830-1000	Technical Session III (C): Status of conservation and use of genetic resources and implementation of international agreements: CG Centers and Country reports	NAAS Auditorium Chair: Dr. B.S. Dhillon Co-Chair: A. Amari Rapporteurs: 1. Dr. Arjun Lal 2. Dr. Vandna Tyagi
0830-1000	Presentations by National Programmes regarding - Status of PGRFA, Bottlenecks, Status of ITPGRFA/GPA implementation, and Key research areas, including capacity building and sharing of expertise, proposed for South-South cooperation	National representatives (Brazil, Costa Rica, Mexico, Trinidad, Azerbaijan, Kyrgyzstan, Tajikistan, Uzbekistan)
1000-1130	Technical Session IV: Research agenda and partnership in plant genetic resources	NAAS Auditorium Chair: Dr. Arvind Kumar Co-Chair: Dr. S. Mauria Rapporteurs: 1. Dr. Rekha Chaudhary 2. Dr. Sunil Archak
1000-1030	Documentation and sharing mechanism for enhance use of genetic resources: Global concern	Richard Bruskiwich , Bioersivity International
1030-1100	Genetic resources for sustainable agriculture: Research agenda for global collaboration	Prem Mathur , Bioersivity International
1100-1130	Capacity building in conservation and utilization of genetic resources: South-South cooperation	K.C. Bansal , National Bureau of Plant Genetic Resources
1130-1200	Tea	Atrium

1200-1330	Technical Session V: Research agenda and partnership for animal, fish, microbes and insects genetic resources	NAAS Auditorium Chair: Dr. K.M.L. Pathak Co-Chair: Dr. T.P. Rajendran Rapporteurs: 1. Dr. K.V. Bhat 2. Dr. K.K. Lal
1200-1215	Overview of animal genetic resources	Dr. K.M.L. Pathak
1215-1230	Overview of fish genetic resources	Dr. Meena Kumari
1230-1330	Status of conservation and utilization of animal, fish, microbial and insect genetic resources: Indian perspective	B.K. Joshi, NBAGR J.K. Jena, NBFGR A.K. Sharma, NBAIM B.S. Bhumannavar, NBAII
1330-1430	Lunch	Atrium
1430-1730	Technical Session VI: Group Discussion: Identification priority areas for South-South cooperation and way forward for international agreements	NAAS Auditorium Chair: Dr. R.B. Singh Co-Chair: Dr. J.S. Sandhu Rapporteurs: 1. Dr. M. Dutta 2. Dr. J.C. Rana
1430-1515	Implementation of ITPGRFA: Way forward	Kent Nnadozie
1515-1600	Monitoring and Implementation of GPA: Way forward	Stefano Diulgheroff
1600-1630	Identification of research themes for South-South collaborative programmes	Prem Mathur, Bioversity International
1630-1700	Identification of areas for capacity building programmes and sharing of expertise	K.C. Bansal, National Bureau of Plant Genetic Resources
1700-1730	Presentation on outcome of First Global Custodian Farmers' Meeting	Bhuwon Sthapit (Bioversity International) and Custodian Farmers' representatives
1730-1745	Tea	Atrium
1745-1900	Plenary Session and closing ceremony	NAAS Auditorium Chair: Dr. S. Ayyappan Co-Chair: Dr. Emile Frison Rapporteur: K.C. Bansal Rapporteur: Prem Mathur
1745-1845	Recommendations of Group Discussion	Kent Nnadozie Stefano Diulgheroff Prem Mathur K.C. Bansal
1845-1900	Closing remarks	Dr. S. Ayyappan Dr. Emile Frison
1900-2100	Dinner	NASC Dining Hall Lawns

14 February 2013, Thursday

1000-1330	Visit to national programmes	Organizers
1000-1130	Visit to National Gene Bank, NBPGR	R. K. Tyagi and Team
1130-1300	Visit to Indian Agricultural Research Institute	Malvika Dadlani and Team
1300-1400	Lunch	Atrium
1400-1900	Delhi city tour	Rekha Chaudhary and S.K. Malik
1900-2100	Dinner	NASC Dining Hall Lawns
