Subject: Advance payment of fellowship to the AFRICAN and AFGHAN candidates admitted under India-Africa and India-Afghanistan Fellowship programmes

Sir,

The release of bench fee and fellowship amount in respect of the African and Afghan student(s) admitted in your University will take some more time due to procedural delays.

In order to avoid hardship to the students, it is requested that the university may provide advance monthly fellowship to the African and Afghan students from the ICAR grant available with the University. Also, it is requested that necessary amount is to be provided till the funds from competent authority is accessed to University accounts. The advance may later be adjusted from the fellowship grant provided by ICAR/DARE under this programme.

Thank you!

Yours sincerely,

(G. Venkateshwarlu)
